Sasha Darko's Sacred Line Genesis

WaterMelon's is proud to publish **Sasha Darko's Sacred Line Genesis**, a text-adventure, visual novel game for the **SEGA Mega Drive/Genesis**.

Game is released in BITS (Build It Thyself Series) format: A super compact package which comprises everything needed to assemble your own game box matching any other games from your SEGA Mega Drive / Genesis collection. Also released, in numbered, signed and limited quantity: A plastic clamshell boxed version of the game.

Full press-kit available upon request, please register at → www.magicalgamefactory.com.

Official Sacred Line Genesis website → www.sacredlinegenesis.com.
